

COOP WITH HLB MCKEOGH GALLAGHER RYAN

HLB McKeogh Gallagher Ryan is a recently established firm of accountants and business advisers, providing audit, tax and advisory services across Ireland from our base in Limerick city. Our clients cover the length and breadth of the country and range from owner operators and private individuals to some of the State's largest financial institutions and agencies.

As a Limerick-based firm we offer a challenging and relevant CoOp experience to eager students involving:

- ➔ **MENTORING:** a senior member of staff will oversee your placement, be available to answer any queries and ensure you are comfortable with your role and duties.
- ➔ **TRAINING:** we will provide any necessary training on the accounting systems and software packages we use, as well as the professional standards we adhere to.
- ➔ **INCLUSION:** you will be treated as a full-time member of staff whose input is valued. You will be involved in departmental meetings and appropriate decision making.
- ➔ **VARIETY:** our workload is highly varied and you will have the opportunity to work on live projects with trainee and senior staff to fully appreciate the scope of work we undertake.

We are looking for a CoOp student with energy, enthusiasm and a desire to see how real business gets done. We envisage that the CoOp placement will be exposed to all areas of our business with a focus on our tax department. Please send your CV (include Leaving Certificate and college results to date) to Eimear Quin equin@hlbmgr.ie.

OUR SERVICE AREAS

TAXATION

Tax is one of the most diverse career options in the accountancy arena. Every business decision has a tax implication and good tax advice is invaluable. There is never a dull moment working in tax – the legislation constantly changes throwing up new legal implications and technical challenges for the tax adviser. As a career it is highly transferable and lucrative with a broad scope of opportunities and employment options.

AUDIT

Auditing is one of the fundamental building blocks for a career in business. It teaches the necessary skills to analyse businesses, understand their operations and identify their strengths and weaknesses. It is a highly marketable choice used as a springboard to a vast array of business careers. Many of the most successful commercial professionals, in Ireland and internationally, are trained accountants.

BUSINESS ADVISORY AND CORPORATE RECOVERY

Advisory and recovery is a varied and challenging field. Corporate recovery involves working with a range of stakeholders to resolve insolvency cases – requiring extensive commercial and project management skills. Advisory work covers the full spectrum of business activity, with assignments ranging from business valuations to fundraising and independent business reviews.
