2016 GRADUATE RECRUITMENT PROGRAMME

AUDIT | TAXATION

Interested in training with one of Ireland's most progressive accountancy firms, based in Limerick with an international outlook?

WHO WE ARE

HLB McKeogh Gallagher Ryan is a leading firm of accountants and business advisers providing advisory services across Ireland. Our principal office is a newly renovated Georgian building in the heart of Limerick city centre and we also have offices in Dublin.

We have nearly 30 staff and a national client base. We believe in a client-focussed service offering, recognising that our business is people. The advisory marketplace is crowded with large, often impersonal organisations but our firm is different – we have the same professionalism, mentality, ability and experience of a “Big” firm but the approach and personality of a smaller practice where our people are our greatest asset. We understand that the quality of our service is wholly dependent on the quality of our team and constantly strive to challenge and develop them.

We are a member of HLB INTERNATIONAL, a world-wide network of independent accounting firms and business advisers, with offices in over 110 countries and more than 250 member firms. Through HLB we offer our clients and staff access to global expertise and the reassurance of exceptional service quality.
