About HLB International

HLB International is a leading worldwide network of independent professional accounting firms and business advisers. Formed in 1969, HLB International services clients in 130 countries through its 600 member firm offices, their 2,100 partners and 19,000 staff.

HLB member firms provide a comprehensive range of services and expertise including accounting, audit, international tax, corporate finance and consulting, servicing multinational clients across all industry sectors.

A member of IFAC's Forum of Firms, HLB International is committed to the highest quality standards in financial reporting and auditing practices with all members meeting specific quality criteria both nationally and internationally.

With member firms that are well established locally, HLB International offers an ideal combination of local expertise and international capabilities. HLB members support companies as they grow regionally and globally, ensuring the same partner-led high-quality and personalised service wherever they operate.

- 600 offices

HLB China Desks Worldwide

Having recognised the growing significance of the Chinese economy, HLB International has set up a “Global China Service” for member firms to drive business between China and the rest of the world.

HLB International is the first mid-sized network to market its focus on Chinese outbound work at a global level rather than on a country by country basis.

The “Global China Service” provided by dedicated “China Service Desks” of HLB member firms, offers clients seamless and comprehensive one-stop services from Greater China to the rest of the world, covering a wide range of investment destinations and capital markets.

It enables companies to access appropriate services and individuals throughout HLB International’s network of member firms, helping them achieve business goals ranging from setting up subsidiaries, M&A activity, raising funds and on-going tax and accounting needs.
