

WORK PLACEMENT WITH MCKEOGH GALLAGHER RYAN

McKeogh Gallagher Ryan brings together 60 professionals with vast experience and knowledge across three offices in **Limerick, Nenagh** and **Ennis**. A young firm only established in 2012 we now represent the largest independent group of accounting and tax professionals in the Midwest. Our clients cover the length and breadth of the country, ranging from owner operators and SMEs to some of the State's largest financial institutions and agencies.

We offer a challenging and relevant work placement to eager students. We participate in UL's CoOp programme and TUS Moylish's work placement programme during the academic year. We also offer summer work placements to third level students. Placements can be in any of our three offices and are in our **audit/accounting departments** and our **taxation department**. Tax placements are in Limerick only.

OUR PLACEMENTS INVOLVE:

- **MENTORING:** a senior member of staff will oversee your placement, be available to answer any queries and ensure you are comfortable with your role and duties.
- **TRAINING:** we will provide any necessary training on the accounting systems and software packages we use, as well as the professional standards we adhere to.
- **INCLUSION:** you will be treated as a full-time member of staff whose input is valued. You will be involved in departmental meetings and appropriate decision making.
- **VARIETY:** our workload is highly varied and you will have the opportunity to work on live projects with trainee and senior staff to fully appreciate the scope of work we undertake.

We are looking for students with energy, enthusiasm and a desire to see how real business gets done. Students can apply directly to us for summer placements or for their academic work placement. Please send your CV (include Leaving Certificate and college results to date) to hr@mgraccountants.ie

OUR SERVICE AREAS

AUDIT

Auditing is one of the fundamental building blocks for a career in business. It teaches the necessary skills to analyse businesses, understand their operations and identify their strengths and weaknesses. It is a highly marketable choice used as a springboard to a vast array of business careers. Many of the most successful commercial professionals, in Ireland and internationally, are trained accountants.

TAXATION

Tax is one of the most diverse career options in the accountancy arena. Every business decision has a tax implication and good tax advice is invaluable. There is never a dull moment working in tax – legislation constantly changes, throwing up new legal implications and technical challenges for the tax adviser. As a career it is highly transferable and lucrative with a broad scope of employment options and opportunities.

BUSINESS ADVISORY AND CORPORATE RECOVERY

Advisory and recovery is a varied and challenging field. Corporate recovery involves working with a range of stakeholders to resolve insolvency cases – requiring extensive commercial and project management skills. Advisory work covers the full spectrum of business activity, with assignments ranging from business valuations to fundraising and independent business reviews.
